

MonoBehaviour

```
graph BT; Dog --> Animal; Animal --> MonoBehaviour
```

The diagram illustrates a class hierarchy with three levels. At the top is the 'MonoBehaviour' class, represented by a white box with a black border. Below it is the 'Animal' class, also a white box with a black border. At the bottom is the 'Dog' class, represented by a gray box with a black border. A blue arrow points from the 'Animal' box up to the 'MonoBehaviour' box, and another blue arrow points from the 'Dog' box up to the 'Animal' box, indicating inheritance.
